

COURT NARRATIVE - - CHILDREN
CAO INSTRUCTION 9A

My name is _____. I am married to _____ (spell out last name). We were married on _____, at _____, County of _____, (State). I have lived in Idaho since _____; my address is _____, County of _____, (city), (state). My husband's/wife's address is: _____, County of _____, (city), (state), (zip).

I want a divorce on the grounds of irreconcilable differences because we don't get along. We have attempted to reconcile the differences but cannot. We separated on _____. I am not now pregnant. We have (number) of children; (full name of child), (age), and (full name of child), (age), born of this marriage. My husband/wife works at (place of employment) and it is my understanding that he/she can pay child support of \$_____ per month. Based upon my Affidavit of Income and Child Support Worksheet, this is a reasonable amount for him/her to pay as child support. The children live primarily with me with joint legal and physical custody. The Decree and Complaint lay out the visitation schedules. There is no custody action pending anywhere except for this case. We have divided the community property and debts and this Decree reflects that division. I prepared this Decree and it is correct to the best of my knowledge. I want my maiden name (maiden name) restored to me. Thank you your Honor. (Sit quietly while the Judge looks at your papers. The Judge will tell you if she/he is granting your divorce.)
