LEGISLATIVE COUNCIL'S
STATEMENT OF MEANING AND PURPOSE
H.J.R. No. 2

Proposed Amendment to the Constitution of the State of Idaho:
Section 28, Article III

Meaning and Purpose of Proposed Amendment:

The proposed amendment would add a new Section 28 to Article III of the Constitution of the State of Idaho, stating that a marriage between a man and a woman is the only domestic legal union that shall be valid or recognized in the state of Idaho.

Effect of Adoption:

If adopted, the proposed amendment would add language to the Constitution of the State of Idaho to provide that a marriage is only between a man and a woman. The language prohibits recognition by the state of Idaho and its political subdivisions of civil unions, domestic partnerships, or any other relationship that attempts to approximate marriage. The language further prohibits the state and its political subdivisions from granting any or all of the legal benefits of marriage to civil unions, domestic partnerships, or any other relationship that attempts to approximate marriage.

"Shall Article III, of the Constitution of the State of Idaho be amended by the addition of a new Section 28, to provide that a marriage between a man and a woman is the only domestic legal union that shall be valid or recognized in this state?"

GENERAL ELECTION STATE OF IDAHO

S.J.R. NO. 107

LEGISLATIVE COUNCIL'S STATEMENT OF MEANING AND PURPOSE

S.J.R. No. 107

Proposed Amendment to the Constitution of the State of Idaho: Section 18, Article VII

Meaning and Purpose of Proposed Amendment:

The purpose of this proposed amendment is to create a permanent endowment fund into which 80 percent of the money received annually as a result of the settlement between the state of Idaho and tobacco product manufacturers will be deposited. The remaining 20 percent of the annual settlement will be deposited into the existing Idaho Millennium Fund. No portion of the permanent endowment fund, including earnings, will be transferred, used, or appropriated, with the exception that each year 5 percent of the endowment fund's average monthly fair market value will be distributed to an income fund that will be subject to appropriation. In addition, any money in the Idaho Millennium Fund in excess of the maximum amount, as provided by law, will be transferred annually to the permanent endowment fund.

Effect of Adoption:

If the amendment is adopted, 80 percent of the tobacco settlement money Idaho receives each year will be deposited into a newly created permanent endowment fund and 20 percent will be deposited into the existing Idaho Millennium Fund. All money in the permanent endowment fund will remain in the fund, with the exception that every year 5 percent of the fund's average monthly fair market value will be deposited into an income fund that is subject to appropriation. In addition, each year any amount in the Idaho Millennium Fund in excess of a maximum amount, as provided by law, will be transferred to the permanent endowment fund.
