Election Consolidation provides for School Districts to have the option to hold financial elections on March 14, May 16, August 29, and November 7, 2017.

School, Library, Highway, Water and Sewer, Cemetery, and Recreation Districts have provisions, which allow them not to conduct an election if only one candidate has filed for any position. Pursuant to Section 34-1407, Idaho Code, this determination can only be made after the deadline for the Declaration of Intent to be a write-in has passed.

Declarations of candidacy are available at the respective taxing district offices and at the Office of the County Clerk.

Published pursuant to Idaho Code 34-1405.
